STUDENT FEES POLICY

Introduction

Annesley Junior School charges fees for a range of education and care services provided to students and their families. The charges are billed to each family's debtor account and invoice/statements are issued. All invoices document the due date for payment.

Policy Statement

This policy establishes clear guidelines, parameters and responsibilities regarding fees, invoicing of fees and payment of accounts.

Fees

Fees for the next year are set by the Annesley School Council as part of the annual budget process during Term 4 each year and communicated to families in writing on a timely basis.

Application & Enrolment Fees

A non-refundable application fee is due and payable at the time of applying.

A non-refundable enrolment fee is due and payable to confirm an offered place and is applicable from the Early Learning Centre through the end of the Primary Years Program regardless of year level at entry.

Early Learning Centre Fees

The Early Learning Centre (ELC) fees cover the long day care educational program which runs Monday to Friday, 7.30am to 6.00pm for 49 weeks of the year. Nappies are provided as part of the daily fee.

There are three tiers of ELC fees as follows:

1. Permanent Daily Session fee
2. Casual Daily Session fee
3. Weekly fee (5 daily sessions per week)

Families can apply to Centrelink for the Child Care Subsidy (CCS) because Annesley is an accredited Long Day Care Facility. Application is the full responsibility of the family. Families who are registered with Centrelink must provide the School with their own and their child's Customer Reference Number and also their own and their child's date of birth. This information is required in order to receive CCS payments.

Note: Registered Primary Years families using OSHC & Vacation Care facilities may also claim CCS.

Additional ELC charges:

- Specialist programs
- Excursions/incursions - based on the cost of the experience per student.
- *Late fees* – charged for late pick-ups after 6.00pm regardless of notice given. No CCS can be claimed by families from Centrelink for late pick-up fees.

ELC fees are charged at half the usual rate during the first two weeks of January when the School reopens after the annual Christmas closure. This is offered to support families during the Christmas holiday period. Holiday reductions are not available at any other time of the year.

Sibling Discount

Sibling Discounts are available for Primary Years students only. They are set as a percentage of the annual Primary Years School fee for second, third and fourth siblings. The percentage increases with the number of siblings up to four.

Sibling Discounts are not available for children enrolled in the ELC.

Invoicing of Fees

All fee invoices are emailed to families.

ELC, OSHC & Vacation Care

ELC, OSHC and Vacation Care fees are invoiced fortnightly in arrears.

Primary Years Fees

The Primary Years School fee is invoiced on a termly basis in the middle of the term preceding the term to which the fees relate, e.g. fees for Term 2 are invoiced in the middle of Term 1, etc.

Camp fees are invoiced in advance in the term that they take place and payable by the last day of that term.

Forms of payment accepted for all fees are credit card, EFT direct deposit, B-Pay.

ELC, OSHC & Vacation Care

Invoices for ELC, OSHC and Vacation Care fees are payable immediately upon receipt of the fortnightly statement/invoice.

Primary Years Fees

The payment options available for Primary School fees are:

- In full by the last day of the term preceding the term to which the fees relate, e.g. Term 2 fees are payable in full by the last day of Term 1.
- Direct Debit arrangement (monthly/fortnightly) commencing in Term 4.

Responsibility for Payment of Fees

The person(s) who have signed the acceptance of the Letter of Offer of Enrolment/annual Ongoing Enrolment Form accept the terms and conditions of enrolment and are liable for the payment of fees. Where more than one person signs this form, the liability is joint and several.

Notice of Withdrawal

It is a requirement that families offer sufficient notice in writing to the Principal of their intention to withdraw their child from the School. Fees are charged if less than the required notice is given.

Primary Years

One full school term's notice of withdrawal is required. This is to be given in writing to the Principal prior to the start of the full term notice period. If less than the required notice of withdrawal is given a full term's fees will be charged.

Early Learning Centre

For ELC students, (except those in their last term of the ELC before moving onto Primary School), the notice period of withdrawal is eight weeks. The eight-week period does not include the three week Christmas holiday period when the ELC is closed. If less than the required notice of withdrawal is given, fees will be charged at the full daily rate for the unattended portion of the notice period.

For ELC students in their last term of the program before moving onto primary school, one full term's notice of withdrawal is required. It follows that for students moving to Primary School mid-year, notice of withdrawal is required prior to the end of Term 1 and for those commencing Primary School at the start of the following year notice is required prior to the end of Term 3 of the current year. If less than the required notice of withdrawal period is given one full term's primary school fees will be charged.

The CCS is not applicable to ELC fees when a student is not in attendance at the school and therefore will not be paid by Centrelink against fees charged for the late notice of withdrawal period after the student leaves the School.

Changes in ELC session times can only commence at the start of each term and must be requested no later than the last day of the preceding term, e.g. before the last day of Term 1 for change in sessions commencing in Term 2.

Student Absences

No remission of fees will be made for absences from Annesley Junior School.

Default of Fees

The school may take the following action in regards to overdue payments (including those on payment plans):

- A late payment fee may be charged.
- Monthly interest charge (calculated using an interest rate as approved by the Annesley School Council from time to time)
- Referral of the amount owing to an external debt collection agency (all associated collection expenses incurred will be added to the balance owing and recovered from the family).
- Credit may be refused to families for the use of other services provided by the school, e.g. OSHC and Vacation Care, uniforms.
- After consideration of individual circumstances, where families are in default of one term's Primary Years fees or one fortnight in arrears of ELC fees the School may:
 - Require the family to withdraw their child from attending the school until a formal payment arrangement is entered into.
 - Terminate the student's enrolment at AJS.

Collection Expenses

Expenses associated with receipt of account payments will be recovered from families, e.g. dishonour fees associated with direct debit arrangements or dishonoured cheques etc.
